

### **itelligence AG becomes Special Expertise Partner for Automotive SAP honors itelligence for outstanding expertise in the automobile industry**

Bielefeld, August 30, 2005 – itelligence AG has been awarded the quality seal as Special Expertise Partner SAP for Automotive from SAP Deutschland GmbH & Co. KG, Walldorf. In granting this qualification, SAP is recognizing itelligence's outstanding knowledge of the automobile industry. itelligence is now one of a selected circle of specialists that meet SAP's high quality requirements as a consultant and solution provider for the automobile industry.

itelligence AG gained this award thanks to its profound SAP expertise and extensive customer and project experience in the industry. Renowned automobile manufacturers and suppliers such as Skoda, Opel, MercedesMcLaren's Formula 1 engine constructor (Mercedes-Benz HighPerformance Engines Ltd), ZF, DEUTZ and Behr USA are among itelligence AG's worldwide customers.

Before being named SAP Special Expertise Partner, a company first has to undergo an intensive qualification phase in which the potential SAP partner's technological and consultancy skills and extensive project expertise are examined.

SAP uses the Special Expertise Program (SEP) in order to develop market areas together with partners. The SAP partners awarded special partnership status work closely with SAP sales:

Wolfgang Möller, Manager of itelligence AG's Automotive business division, "Our appointment as Special Expertise Partner emphasizes our expertise as a full IT service provider for the automobile industry. We will work together with SAP to further develop this market successfully. We will target manufacturers and suppliers and the next level in the supply chain, automobile dealers, importers and sales organizations."
