

itelligence – SAP Business Partner in the Netherlands

itelligence BV is new SAP Value Added Reseller in the Netherlands

Frankfurt, January 20, 2004 - On January 1, 2004, itelligence BV, Netherlands, the subsidiary of itelligence AG, Germany, was appointed SAP Business Partner for the metal, paper and wood sectors as well as official SAP Value Added Reseller for Small and Medium Businesses (SMB) for the wood and furniture sector in the Netherlands. The Dutch SAP consulting firm has thus been admitted to the circle of qualified SAP partners benefiting from dedicated SAP market support for the furniture industry. Providing consulting services in the international SAP environment, the company has an excellent track record of projects in the furniture industry, its list of reference customers including such high-profile names as Nobilia, the German kitchen manufacturer.

itelligence BV's appointment as Business Partner and SAP Value Added Reseller increases the international SAP service provider's growth opportunities in the Netherlands and underlines its leading position as SAP Business Partner in the EMEA Central region. By giving itelligence BV the Value Added Reseller status, SAP pays tribute to both the fact that the company delivered top-quality vertical solutions such as Metal, Paper and Wood in 2003 and its strong international presence.
