

Tomáš Matějovský appointed new Director Central and Eastern Europe itelligence AG

Bielefeld, March 13, 2009 – Tomáš Matějovský (50) has been appointed new Director Central and Eastern Europe of the itelligence AG.

His many years of experience in the IT and consulting industry in Eastern Europe – almost 20 years – eminently qualify Tomáš Matějovský for this position. He has joined itelligence AG from INFOR Global Solutions where he was responsible Sales Director Eastern Europe and Country Manager Czech Republic.

For more than 12 years Tomáš Matějovský has held management responsibilities for Eastern and Central European countries such as Czech, Hungary, Poland, Romania, Slovakia, Croatia and Russia for JBA International PLC and Geac. The multilingual Manager, he speaks English and Russian as well as Polish and Slovak lives with his wife and 3 children in Prague.

itelligence underlines with this step and the well developing partnership with SAPCON, its strong interest in the Central- and Eastern Europe region as an emerging market.

Tomáš Matějovský, Director Central and Eastern Europe of itelligence: “I’m glad to join such a successful team like itelligence and we are pursuing our growth strategy in Central and Eastern Europe with its special needs and rapidly changing challenges.”

Tomáš Matějovský takes over his new position from Christian Motovsky, who has been with itelligence for over 13 years and has substantially influenced the development and success of itelligence’s Central and Eastern European Operations.

itelligence Press Release

Tomáš Matějovský appointed new Director Central and Eastern Europe itelligence AG

About itelligence

itelligence is one of the leading international full-service providers of solutions in support of SAP solutions, employing more than 1,450 highly qualified employees in 17 countries and in five regions (America, Asia, Western Europe, Eastern Europe and Germany/Austria). As a frequently awarded SAP partner itelligence realizes complex projects in the SAP solution-based environment for over 3,000 customers worldwide. In 2006, itelligence obtained gold-level status as an SAP channel partner as part of the SAP PartnerEdge™ program in Germany, and in the U.S. in 2007. The company's services in support of SAP solutions range from consulting and licensing to outsourcing and services to proprietary industry-specific SAP. In 2007, itelligence generated total sales of EUR 190.9 million, preliminary figures 2008 show sales rising to EUR 216 million.
