

itelligence AG reappointed Special Expertise Partner Product Lifecycle Management (PLM)

Bielefeld, January 10, 2006 - SAP Deutschland GmbH & Co. KG, Walldorf, has reappointed itelligence AG as “Special Expertise Partner mySAP Product Life-Cycle Management” (mySAP PLM). SAP is thus rewarding itelligence’s high level of product and processing expertise and well-established project skills in the area of mySAP PLM for customers in the manufacturing, high tech and automobile industry.

itelligence has been reappointed Special Expertise Partner mySAP PLM as a result of its technical skills and a number of successful PLM projects implemented during the year. Customers including Bernard Krone Holding GmbH & Co. KG, Mercedes-Benz High Performance Engines – the engine constructors for the formula 1 Mercedes McLaren racing car - and the Swiss machine constructor Bystronic Maschinen AG have reconfirmed the high quality of service provided by itelligence advisors in implementing PLM-related subjects.

Dr. Hans-Joachim Langen, manager of the Product Life-Cycle Management business area at itelligence AG: “Our reappointment as Special Expertise Partner mySAP PLM underlines the continued high quality of our consultancy services and our implementation of PLM projects in the SAP environment and the main PLM application areas: the management of development projects, product structures and variant configuration, CAD geometry management, document management and updating.”

itelligence AG is one of SAP’s most extensively qualified partners and is SAP Special Expertise Partner for SAP NetWeaver, SAP NetWeaver Exchange Infrastructure (SAP NetWeaver XI), mySAP Supplier Relationship Management (mySAP SRM), mySAP Customer Relationship Management (mySAP CRM), SAP NetWeaver Portal, SAP for Automotive, SAP Industrial Machinery & Components (SAP for IM&C), mySAP Product Lifecycle Management (mySAP PLM) and mySAP Financial Supply Chain Management (mySAP FSCM).
