itelligence AG presents innovative SME solutions

Bielefeld, October 18, 2004 – At this year's SYSTEMS taking place in Munich from October 18 to 22, 2004, itelligence AG, one of the biggest SME partners of SAP AG, will showcase an extensive range of solutions in Hall A1, Booth 126. For the first time, the international acting IT-Service-Provider in the SAP field is presenting its brochure concerning its programme for medium-sized businesses „it-compact“ with more than 40 tailor-made fixed priced offers .

The „it compact bundle“ is based on the experience of the itelligence AG, with implementation of complex SAP-projects in medium-sized businesses. As such the „it-compact-programme“ contains devised SAP-Add Ons for medium-sized businesses as well as for the sectors of human resources, support and logistics. Further more „it compact“ enables businesses to convert current themes such as Business Warehouse, Product Life-Cycle-Management or Customer Relations Management in the SAP field for a fixed price, with a clear definition.

Exemplary for the whole „it-compact-range“, in this case five CRM-bundles as an overview: mySAP CRM Mobile sales force and sales, the mySAP CRM Interaction Center for internal sales staff and call-center and /or Service-Hotline as well as mySAP CRM Marketing and Campaignmanagement for the control of marketing and campaigning as well as Internet Sales R/3 Edition and the Internet Sales CRM Edition. The bundles are marketed by SAP and itelligence, bundle prices starts at 36.000 Euro. The programme range “it compact“ is constantly updated.

Michael Vollmer, Head of the mySAP Solutions Division, will give a talk entitled “**mySAP All-in-One with CRM - SME solutions of SAP and itelligence**” at the SAP lecture forum (in A28 at 12:30 p.m. on October 21 and in A38 at 2:30 p.m. on October 22). This presentation will allow trade fair visitors to learn more about the CRM bundles.

itelligence AG presents innovative SME solutions

A focal point in the 68 square meter booth is the presentation of the itelligence branch solutions for medium-sized businesses. Exhibits from the mySAP All-in-One line will include it.automotive supplier for automotive suppliers, it.engine for the mechanical and plant engineering industry, it.hightronics for the high-tech and electronics industry, it.wood for the timber and furniture industry, it.metal for metal manufacturers and traders, it.cast for foundries, it.service for the service sector, it.chemicals for the process industry, it.consumer for the food sector and it.trade for wholesalers.

As a full-service provider for SAP, itelligence will moreover offer valuable insights into innovative functions of mySAP ERP such as customer relationship management (mySAP CRM), supply chain management (mySAP SCM) or product lifecycle management (mySAP PLM) and the innovative SAP NetWeaver technology. itelligence AG has been appointed a Special Expertise Partner NetWeaver including Enterprise Portal (EP) and Exchange Infrastructure (IX) by SAP. In connection with the presentation of NetWeaver, the itelligence booth will showcase practical applications of the NetWeaver components, SAP Enterprise Portal and mySAP Business Intelligence.

The Outsourcing & Services Division, which has recently been included in SAP's Global Quality Initiative, will exhibit examples of the successful implementation of mySAP hosting, archiving and document management as well as the SAP Solution Manager and Helpdesk. In addition, SYSTEMS visitors will be able to inform themselves about topics such as catalog data management, Citrix terminal services as well as technical consulting services for SAP Enterprise Release changes.
